

Are you eligible for a free NHS flu jab? **PLEASE READ THIS!**

Did you know that if you are eligible for a NHS seasonal flu jab then we buy your vaccine *twelve months* in advance?

If you have your vaccine elsewhere, for example via the local pharmacy, then we are left with excess stock at a cost to the surgery.

ARE YOU ELIGIBLE?

- those aged 65 or over
- have certain long-term health conditions
- pregnant
- live in a care home
- the main carer for an older or disabled person, or receive a carer's allowance
- live with someone who has a weakened immune system

We will be running a series of **bookable FLU and COVID vaccination clinics** in the autumn. You will receive a text message from the practice with details – **please book in with us if you can.**
